## WELCOME TO THE CLUB

V-Twin Cruisers MC.....is for the rider who enjoys a good time cruising with friends, who appreciate the open highway, the sound of thunder, the wind in their face and not a care in the world about what brand of bike is riding next to him.

This club is made up of American, European, and Metric Cruisers and is open to all brands of bikes.

We are a non-profit organization, created for the soul purpose to have fun, sponsor and promote organized bike events, raise money for charities, to encourage rider participation in events pertaining to motorcycling, and to help support other clubs.

These items are the primary reasons for V-Twin Cruisers MC; but there's much more to it than that. We also pursue, promote and help in protecting the interests and safety of motorcyclists; to develop better and more enthusiastic relations between the general public and other riders.

We are not an internet motorcycle club, we are a family of riders who live and ride in your area, your community.

## MOTORCYCLING IS FUN

You know that or you wouldn't be reading this. The obvious extension of the pleasure and satisfaction you gain from riding your motorcycle is in sharing you enthusiasm with those of similar interest, and that's where V-Twin Cruisers MC come in.
